District “G” Commander Ron Goodwin is requesting that all branches, within the district, send representatives to attend the Annual District “G” Poppy Seminar.

This years seminar will concentrate on new material gathered from the Provincial Poppy Meeting, areas that branches are having difficulty with and examination of guidelines and policies that control Poppy Trust Fund use. The seminar will include a variety of contributors, workshops and presentations.

All branch and zone Poppy Chairs are requested to bring their complete Poppy Kit, to the seminar, as we will be using it for training purposes. Branch Presidents are requested to ensure that their branch Poppy Chair is in receipt of the Poppy Kit that is sent out by Ontario Command before this seminar. Branch Presidents are also asked to advise the District Poppy Chairman, Comrade Wayne Wood, via email as to how many people will be attending from your Branch, by August 16, so that he can insure there are adequate copies of handouts available and that the host Branch is able to provide sufficient food and refreshments. A registration fee of \$10.00 will be charged to defer the costs of refreshments and printing.

Plan on using this seminar to help train Poppy Chairman and others so that your branch can conduct a successful well organized Poppy Campaign. Only by working together and sharing information will we be able to do the best that we can for our veterans. Branch Members & Ladies Auxiliary members are encouraged to attend.

Note: Attendance at this Seminar for Branch Poppy Chairs and Service Officers is an allowable poppy expense.
